WORK HISTORY

STANLEE HAY

Heavy Machines Operator / Kimberly, ID

- Feel free to contact Jason Stanger at 208-280-1983
- Maximized productivity by keeping detailed production records and identifying hold-ups
- Operated heavy duty lathes, boring machines and mills, planers, shapers and grinders
- Updated daily production logs with timely and accurate information, regularly informing management of special incidents or non-conformance issues
- Fabricated new and repaired defective machine components, using tools at hand
- Identified malfunctions or failures by routinely monitoring and analyzing equipment operations

FUNK'S DAIRY

Diesel Mechanic Assistant / Twin Falls, ID / January 2004 - June 2015

- Feel free to contact Jason Rackem at 1-435-730-6066
 - Disassembled and repaired diesel engines in automobiles, trucks, buses and construction vehicles
 - Troubleshoot and diagnosed problems with brakes, steering and transmissions
 - Performed preventative maintenance on engines, transmissions, tires and other vehicle systems
 - Installed new systems and components in vehicles
 - Discussed repairs with customers and advocated for vehicle safety
 - Documented findings and all actions taken
 - Used specialty equipment, standard tools, and gauges to complete assessments and repairs
 - Developed standard operating procedures and document workflows for current and future process steps
 - Generated new business leads through direct customer engagement, deploying inbound and outbound marketing tactics and developing and optimizing informative content
-
